

## Lakesmere Chadderton Sports Development Phase 1

May 2007      Duration: 14 weeks

Project scope: 3,500m<sup>2</sup> Safety Netting  
915lm Edge Protection  
200lm Tripod E/P  
4no 8.0m Stairtowers

Location: Chadderton - Manchester

This project involved installing Safety Netting & Edge Protection to certain phases via Industrial Access Techniques due to restrictive access. Our in-house technicians worked in teams of three to ensure the works were completed in a safe and efficient manner.
